RE: Docket No. 03-0372: Kauai Island Utility Cooperative ("KIUC")
KIUC Comments to Panel Hearing Overview Agenda

Dear Commissioners and Staff:

Per the Prehearing Conference held on November 29, 2005, the parties were to provide the Commission and the other parties with their comments, if any, to the Panel Hearing Overview Agenda distributed by the Commission during the Prehearing Conference. In that connection, KIUC's only recommended change to the Agenda is to modify the Panel L topic from "Application of Competitive Bidding Rules to KIUC" to "Application to KIUC." The broadening of this Panel L topic should allow for a discussion of those KIUC-specific issues that are decided to be reserved for discussion during this Panel L so as not to unduly delay or change the focus of the other panel hearing topics.

Thank you for your consideration and assistance. If you should have any questions, please do not hesitate to call me.

Very truly yours,

Kent D. Morihara
Outside Regulatory Attorney for KIUC
